Press Release

Realization of Investment on Quarter II 2018 Hits Rp 176.3 T,
Rose up 3.1% Compared to Quarter II 2017

Jakarta, 14 August 2018 – Indonesia Investment Coordinating Board/Badan Koordinasi Penanaman Modal (BKPM) release Domestic Direct Investment (DDI) and Foreign Direct Investment (FDI) realization report in Q2 (April-June) 2018 which reached Rp 176.3 trillion, increase 3.1% compared to the same period in 2017 (Rp 170.9 Trillion). The Investment realization absorbs 289,843 Indonesia labours. While DDI and FDI realization during January - June 2018 hit Rp 361.6 Trillion. The trend of investment growth has been seen slowing to 3.1%, from 11.8% (Q1 2018 compared to Q1 2017) and 12.7% (Q2 2017 compared to Q2 2016).

“There were several factors that significantly affected the decreased in investment realization figures in this second quarter compared with the first quarter. It must be admitted that the fluctuation of the Rupiah exchange rate and the US-China trade war has had an impact on the slowing pace of investment growth. In addition, we have also entered the political year that will continue next year. In the midst of conditions of uncertainty, investors tend to slow down their investment activities and tend to wait and see”, said Thomas Lembong in a press conference at BKPM office, Jakarta, August 14, 2018.

During Q2 2018, DDI realization was Rp 80.6 trillion, rose 32.1% from Rp 61.0 trillion compared to the same period in 2017, while FDI realization was Rp 95.7 trillion, showing 12.9% decrease from FDI realization in 2017 that reached Rp 109.9 trillion.

Indonesia Investment Coordinating Board also noted the top five investment realization based on project locations (top 5) were: Special Territory of Jakarta (Rp 29.9 trillion, or 16.9% from total investment); West Java (Rp 22.2 trillion, 12.6%); East Java (Rp 16.0 trillion, 9.1%); Banten (Rp 14.4 trillion, 8.2%); and East Kalimantan (Rp 13.8 trillion, 7.8%).

While the top five investment realization (FDI & DDI) based on sectors (5 biggest sectors) were: Mining (Rp 28.2 trillion, or 16.0% from total investment); Transportation, Warehouse, and Telecommunication (Rp 25.6 trillion, 14.6%); Electricity, Gas and Water Supply (Rp 20.8 trillion, 11.8%); Food Industry (Rp 17.2 trillion, 9.8%) and Housing, Industrial Estate, and Office Building (Rp 15.8 trillion, 8.9%).

Top 5 countries that have invested in Indonesia were: Singapore (US$ 2.4 billion, 33.5% from total investment); Japan (US$ 1.0 billion, 14.4%); China (US$ 0.7 billion, 9.4%); Hong Kong (US$ 0.6 billion, 8.2%) and Malaysia (US$ 0.4 billion, 5.3%).

Thomas Lembong also mentioned, "The Government will ensure the various facilities and simplification of procedures for investment activities that have been issued, both through government
regulations, presidential regulations and related minister/agency regulations, will be going well which so that it can provide legal certainty and business certainty. For this reason the government will always be open for various improvements if investor still encounter obstacles in doing their business. Coordination between ministries/institutions and local governments will be improved to encourage the increase in investment realization in the future.”

Deputy Chairman of Investment Controlling and Implementation, Azhar Lubis informed that realization of investment during Q2 2018 created 289,843 new jobs, in which DDI absorbed 133,602 labours while the FDI created 156,241 jobs. He also announced the distribution of investment realization outside Java reached Rp 81.9 trillion or 46.5% from total investment in Q2 2018.

“Although investment growth is slowing down, investments still absorb considerable labor. In addition, there were many business opportunities that can absorb many Indonesian workers as a result of investment activities in a regional area (multiplier effect). This absorption of workers means that opportunities for skilled workers in Indonesia were also increasingly wide open along with investment activities implementing newest technologies”, thus the explanation of Azhar Lubis.

In the period January – June of 2018 from the total investment realization of Rp 361.6 trillion, the top five of investment realization (FDI & DDI) based on project location (top 5) were: West Java (Rp 59.2 trillion, or 16.4% from total investment); Special Territory of Jakarta (Rp 58.7 trillion, 16.2%); Banten (Rp 30.0 trillion, 8.3%); Central Java (Rp 27.6 trillion, 7.6%) and East Java (Rp 24.6 trillion, 6.8%).
